YEAR OF MERCY RETREAT

Join Holy Family Parish this summer, as we celebrate the Year of Mercy as courageously proclaimed by Pope Francis. We will have our Year of Mercy Retreat on July 11 to 15 during our daily Masses. In a world of noise and distraction, it's easy to forget that God's mercy is at the heart of Jesus' teaching. This retreat will explore ways of cultivating mercy amid life's inevitable challenges and examine the central spiritual insights necessary to share compassion, patience, kindness, and forgiveness.

Fr. Paul Kersey, a missionary from Honduras will be our retreat master. Please make time to attend.

YOUTH MINISTRY

The Altar Servers, Daughters of Mary, Children's Choir, and EDGE along with their families had a wonderful day at the Martyr's Shrine on June 18th! We had a tour of the shrine, celebrated Mass inside the Church, played games, and got to pass through the Holy Door! Walking through a Holy Door shows the deep desire for true conversion, and was a very special moment for our youth. God is truly good and merciful! Thank you Father Laszlo for supporting our trip!

EDGE and Life Teen are officially finished for the year! Thank you so much to Fr. Laszlo, Fr. Marijan, the families of our youth, the parishioners of Holy Family, Knights of Columbus, CWL, and all the staff and students at our parish schools for your constant support and love! A very special thank you to our amazing volunteers, without you the youth ministry would never be able to bring our youth closer to Christ in the beautiful ways we have experienced. #youtherealmvp.

HOLY FAMILY DELEGATES: From: L-R (1st Row): Fr. László Nagy with Fr. James Mallon, Alicia Delvecchio, Tess Bondoc, Norman Lobo, Rebecca Morgan, Agnes Ferraz, (2nd row, L-R) Ryan Harlock, Rodrigo Fernandez, Mary Kay Boase, Nancy Mendez, Brendan Buker, Alan Perron, Alex Sgroi and Ann O'Brien

Since its publication, Fr. James Mallon's best-selling book, "DIVINE RENOVATION" has ignited a flame in the hearts of many pastors and church leaders throughout the world who have a desire to see their church renewed and transformed. Fr. László along with 13 Parish Council members attended the first ever Divine Renovation Conference at Saint Benedict Parish, and experienced this first hand. The following are some of the testimonies of our Parish Council members on their experiences at the conference:

"We are 'raising the bar' of the expectations of a Catholic Parish. There are two phases of change, first is mental (creating the vision), then physical (making it happen). We want a parish that is vibrant, actual, and focuses on abundance. This is what we have here."

"While at the conference I felt a presence of joy, welcoming, and God's loving care. The presenters and workshops were a guiding light for a new spiritual life, a reawakening of my soul. I came home with a strong measure of hope to build our Holy Family Parish into a divine refuge of God's commitment to us, and a loving committed relationship with Him and the Trinity."

"The youth are not the future of the Church. The youth are the Church right now. We must stop treating them like they don't have the maturity or drive to take on more responsibility for their faith. We need to ignite their passion and give them the opportunity to shine within their parish. We need to give them the tools and support to become disciples."

"I am excited and want our parish to be even more passionate and thriving than it already is. I truly believe there was some very interesting ideas which we can implement, and I feel that the path forward can be best described as not transplanting St. Benedict's program, but borrowing from it and finding 'Holy Family's Way Forward.'"

"Change is good. It pushes us to our limits and allows us to go beyond our comfort zones. It is scary because we are deeply rooted in our existing situation in life. The hard part is starting the push, but once we move (even just a little bit) things will fall into place. Our team needs to go through the same formation that we want to implement in the parish, to truly live it out and allow our parishioners to see the Holy Spirit through us."

"As someone who sees the need to evangelize and wants to participate in that mission for the Church, yet does not know how to, the conference left me with a sense of excitement about the possibilities that are open to us as a parish. Opportunities to extend an invitation to our friends and neighbours who find themselves in some way alienated from Christ's great love for them."

"I like the idea of unified communications. The idea of having intentional and strategic messages in the form of themes that include homily, marketing, materials, bulletin, and website...Furthermore, I think the parish council came out of this conference with a stronger bond and deepened relationship."
