Living the Gospel by helping families in crisis ...

Having experienced childhood sexual abuse, Tom originally sought counseling treatment for resulting depression at a local clinic. Since Tom had experienced the death of his wife, his increased drinking, drug addiction, suicidal thoughts, depression and financial loss had placed an immense strain on his relationship with his mother and two sons. Through the 12 step program and other counseling at Catholic Family Services of Simcoe County, Tom has experienced a tremendous peace and healing in his family relationships. "Giving hope and saving lives is what this is all about," shares Tom, "I am very grateful to ShareLife for the funding they provide to Catholic Family Services of Simcoe." **Over 21,000 individuals received help in getting their lives back on track through ShareLife-supported Family Services Programs.**

OUR GOAL IS \$80,000.00.
