WORLD DAY OF THE SICK

The Church celebrates the World Day of the Sick on **February 11**, the Memorial of Our Lady of Lourdes. "In times of pain and illness it is always good to know that we are not alone: the priest and those who are present during the Anointing of the Sick, in fact, represent the entire Christian community that as one body huddles around the one who suffers and his family, nurturing their faith and hope, and supporting them through their prayers and fraternal warmth." (Pope Francis, General Audience, 26 February 2014).

If you have a friend or family member who is not able to come on their own to Mass, this is a good time, if you can, to arrange to bring them to church for a blessing and the gift of the Eucharist.
