NURTURE LIFE, OPPOSE DEATH ON DEMAND! CONTACT YOUR MEMBER OF PARLIAMENT TODAY!

The federal government has tabled legislation to expand what they refer to as medical assistance in dying but is more accurately called euthanasia/assisted suicide. More than 13,000 Canadians have been euthanized since 2016. New legislation would make assisted death available to those without life-threatening illnesses including those with disabilities and those no longer capable of making decisions for themselves. Some Canadians may even be euthanized on the same day they make the request. Visit www.helptheliving.ca to send a letter (prepared for you) to your Member of Parliament expressing deep concern. The process takes less than 5 minutes. More information can also be found at: www.archtoronto.org/euthanasia. We continue to pray and advocate for the vulnerable among us.

Last weekend marked the start of our annual ShareLife Parish Campaign. The ShareLife mission, "living the Gospel by providing for those in need," reminds us that our support of ShareLife agencies helps bring the message of the Gospel to life in our community and around the world. Over the next few weeks, you will hear how ShareLife agencies are making an impact in the lives of those who need our help the most. As we approach our first collection weekend on March 29, please reflect on your ability to contribute to our campaign this year.

It's who we are! Catholic agencies have been serving those among us who are poor, sick and marginalized since the founding of our diocese 178 years ago – it's who we are as Catholics in the Archdiocese of Toronto! We continue that legacy through ShareLife, which funds over 40 agencies that provide unconditional care, regardless of religious affiliation.

March 29 is ShareLife Sunday. Please give generously.
