**RESPONDING** *to the Call*

**EVERYDAY STEWARDSHIP**

**Recognize God In Your Ordinary Moments**

*Everyday Saints*

Growing up I thought saints were larger than life people with extraordinary stories. The thought that I could one day be revered as a saint by anyone seemed crazy. I wrote my essays on different saints every year in Catholic school right around All Saints Day. These were stories about people I had never met, and I assumed I would never meet anyone like them going forward.

Now that I am older, I realize that I was wrong back then and my immaturity of both mind and heart did not allow me to see that there are saints among us all the time. I have met many people in my life that I would call living saints. They are holy people who give of themselves to God and others in profound ways. Their relationship with Jesus is evident and they live their lives in ways that people witness the transformative power of love.

As a child I was wrong about saints, but even more importantly, I didn't fully realize that all of us are called to be saints! Me, a saint? Holiness is not something simply studied in books. It is the way of life we are all called to live. The call comes from Jesus Christ and each of us must respond. If we are still thinking like children, we may choose to stay silent and live accordingly. If we are more mature in our faith then we might not only respond, we might one day have a school child write a report about us.

## HOLY FAMILY PARISH

### *Message from the Building Committee*

Dear Holy Family Parishioners,

We hope that you were able to take a few minutes to review our last communication regarding the update of the Holy Family Building Committee. The development of the Master Plan for the building expansion and renovation of our parish continues to be energized by the ongoing special needs of all that we do here at Holy Family Parish.

The Holy Family Building Committee recognize that an undertaking of the Church Renovation and Expansion will require significant financial resources from the Holy Family Community. We are pleased to share that our current Building Fund raised, to date, is \$750,000.00. These funds are derived primarily from parishioner contributions to the Restoration and Maintenance Fund, net of savings after expenses in the restoration and maintenance of the Church facilities. It is important that you know that 100% of contributions directed to this fund remain in the Parish. From this time on, a reporting of the Fund Total will be shared periodically, generally through the parish bulletin. The total capitalization target of the Fund will be determined after review and comments received at our upcoming information session. The **Holy Family Parish Community Consultation on the Building Plan** will be held virtually on Nov. 17 and there will be physical display panels set up for viewing in the Father Breen Hall on Friday, Saturday and Sunday Nov. 19 to 21 inclusively. The information will also be shared on Flocknote, and posted on the Holy Family website after Nov. 17. We invite you to please consider taking the time to take a look at the proposed plans one way or another, and to provide your feedback, as this project is intended to further grow our community of faith, and to be everyone in the parish.

We anticipate that one question that will arise is regarding the funds raised through the Family of Faith Campaign from a few years ago. It should be noted that according to criteria set by the Archdiocese of Toronto, the Family of Faith Campaign proceeds received ~~are~~ must be dedicated exclusively to faith formation programs and not towards renovation or building expansion of the Church.

We are hopeful that Parishioners recognize the need for these changes to our physical space to provide appropriate gathering for faith opportunities, and that they will share the vision of our Church and support this ambitious endeavour to improve our facilities to better love God, love others and make disciples.

Wishing you all God's peace,  
Holy Family Building Committee
