THE FEAST OF MERCY IS NEXT WEEKEND!

Happy Easter! Take Advantage of the Greatest Day of Grace!
Did you know that Easter is an 8-day feast?

Next weekend we celebrate the reason the Lord came to earth, suffered, died, and resurrected – to redeem our souls. On this day, the "greatest day of the feast," all sin and punishment can be wiped away by those who worthily receive the Eucharist, trust in the Lord's mercy, and are merciful to others. What could be a more extraordinary gift?? The Lord also generously answers many prayers. Every family needs God's mercy. Every family should take full advantage of what the Lord is offering the whole world at this time. To learn more, visit: holyfamlywhitby.ca/divine-mercy/

EASTER SUNDAY

He Is Risen!

Imagine what your reaction would be if you had been the one to discover the stone rolled away at Jesus' tomb and that it was empty?

Would you have reacted like Mary and the disciples and thought that someone had taken our Lord's body? Would you have thought that Jesus had risen?

Easter calls us to move beyond the tomb with the conviction to share the good news of the Resurrection with one another. As followers of Jesus, we are not called to worship in private but rather are called to proclaim the Good News - that Jesus offered himself for the good of humanity!

As a parish, one of the ways that we proclaim is through the programs that we offer so that we can fulfil our vision: that Holy Family is where we encounter, follow and share Jesus Christ. We do this through welcoming those who are seeking, ministering to the faithful through the sacraments, offering opportunities to grow in faith through formation programs and volunteering and demonstrate love of neighbour through outreach. This is the modern church- full of life and busy every day of the week with programs that help us to grow in discipleship.

This church building was not designed with these activities in mind. Built in 1982 and opened its doors for the first time the next year thanks to the support and dedication of our founding families. This building was designed to satisfy the needs of the parish community at the time which focused primarily on the Sunday experience. Over the past 40 years, the Sunday experience has outgrown just one day of the week and to every day while our programs have grown exponentially. Combined with the population growth in Whitby, our building can no longer support the needs of our various groups and ministries.

This means that we need to expand in order to meet both today and tomorrow's needs which is why we have embarked on a capital campaign to fund a building expansion. Launched in November of last year, the "Living Our Faith, Building Our Future" has a goal of \$2.4 million dollars to go towards our overall construction budget of \$5.1 million.

I warmly invite you to join us in making this building vision a reality through meeting with our campaign ambassadors so that they can share our plans with you and prayerfully considering how you can help us reach our goal.

We need the support of our entire community of faith so that Holy Family can continue to spread the Good News - and live out of mission: to love God, love others and make disciples.

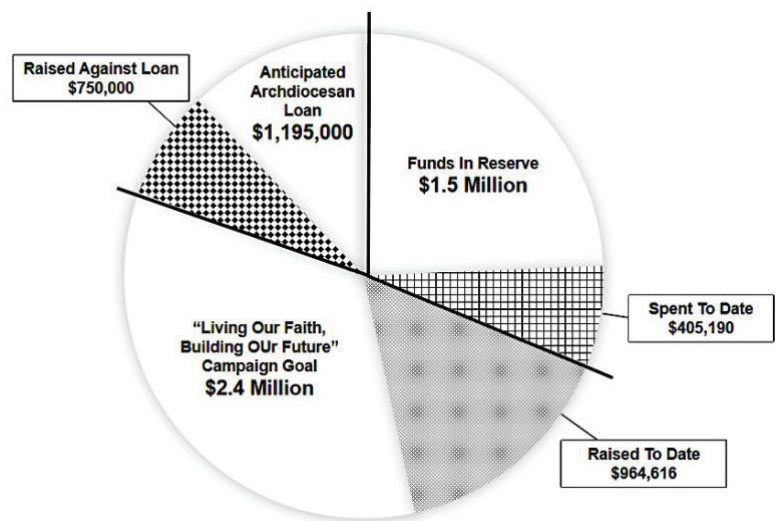

CAMPAIGN FINANCES

Our overall renovation budget is \$5,095,000 of which we already have \$1.5 million in reserve.

To date we have received **191 pledges** totaling **\$964,616**. This represents **40%** of our "Living Our Faith, Building Our Future" campaign goal of \$2.4 million.

The Archdiocese will provide us with a loan of \$1,195,000 million to bridge the gap between our reserve/campaign funding and the project's anticipated cost.

To date we have received significant commitments from major donors totaling **\$750,000** which we currently have allocated to go against the loan. If we are unable to raise our campaign goal amount, we will have to take out the full value of the loan. We would be able to either reduce or completely eliminate the loan if we are able to raise more than our campaign goal.

Thank you for your generosity!

Expenses relating to the project (architectural drawings, consulting, campaign materials, etc.) to date is **\$405,189.35**.
